6 MP STARLIGHT 270' IR H.265+ IP BULLET CAMERA

Extended IR range up to 270', with Starlight technology and Full Frame Illumination for clearer, brighter low light and nighttime images

Enjoy crisp color video images day or night, and an extended IR range with the Alibi 6.0 megapixel 270' IR IP bullet security camera.

This varifocal bullet camera features a 6.0 MP high-performance CMOS and an active imaging pixel array of 3072 (H) x 2048 (V) that produces superior high definition video images.

H.265+ video compression technology enables faster, more fluid remote viewing, and provides the ability to view more channels remotely. With H.265+ compression, you can store more information using less storage space. This camera also supports H.265, H.264+and H.264.

The camera's 4 mm fixed lens covers a wide area with a horizontal FOV of 80°.

For nighttime surveillance or any low-light application, this IP camera features cutting-edge Starlight technology and Full Frame Illumination, which:

- + Reduces overexposure of the IR LEDs at the center of the image
- + Increases illuminant efficiency up to 30%
- + Produces LED light in rectangle form to better fit screen size
- + Captures images up to 270' in the dark without washing out the subject at closer ranges

This IP bullet camera is also equipped with advanced video analytics to help protect people and property more effectively, including Line Crossing, Intrusion Detection, Face Detection and more.

This IP camera also comes with flexible storage solutions. Its built-in micro SD/SDHC/SDXC slot (card not included), enables local storage up to 128GB.

This bullet security camera is able to capture crisp images in any lighting conditions with 120 dB true Wide Dynamic Range (WDR), 3D Digital Noise Reduction (3D-DNR) and True Day/Night (ICR), for superior 24/7 surveillance.

With an IP67 weather-rated metal enclosure, this varifocal bullet camera has an operating temperature rating of -22° to 140°F and is protected from elements such as dust, sand and rain, making it an ideal outdoor security solution.
